CORE
SPECIALTY

THE CORE SPECIALTY ADVANTAGE

With over 150 years of combined experience, Core Specialty's Marine & Energy Team can provide an unparalleled insight into the marine and onshore/offshore energy industry. Flexible and client-focussed, each member of our team has the autonomy to solve problems and suggest flexible options for our customer's specific needs.

We can assist in both Property and Liability insurance coverages worldwide, from major Energy and Marine Transportation companies to small family run businesses.

GLOBAL LICENSING

Core Specialty provides Marine coverage for a global client base.

SECURITY

All Core Specialty companies carry an A- (Excellent) XII rating by A.M. Best.

CAPACITY

Up to \$50 million

CLAIMS

Paying covered claims quickly is important to Core Specialty and is an integral part of the Core Specialty brand. Our proven track record demonstrates our value as an insurance provider and a vital partner to the global marine industry.

PROCESS

Core Specialty uses the latest technology to ensure submissions are processed quickly, policies are issued immediately, and billing is handled efficiently, bringing an enhanced level of service to this market segment.
